

Cheetham Cultural Festival

Art Competition

2025

Cheetham Fest takes place each year in Autumn. It is about celebrating everything and everyone who helps to make Cheetham and Crumpsall a great place to live.

Can you create a piece of art that celebrates "Togetherness"?

You might want to think about people in your community. This can include your classmates, friends, family or anyone else! Why do we like getting together, even though we can come from different places and believe different things? Why is being together important?

Create your response to this theme on the back of this sheet or any piece of A4 paper. It can be in any style you like and should celebrate the togetherness of our community. You could use words and images, write a poem, create a collage or a comic strip - be creative!

Include your name, age and school/group. (Age Categories: 6 and under, 7-10, 11-16)

You can hand in your finished design at your school/group or you can email a request to collect to gemma@manchesterjewishmuseum.com

There will be prizes for the best entries!

Closing Date: Tuesday, 30 September, 2025

Name: _____ Age: _____ School/Community Group: _____
