

Cheetham Cultural Festival

Art Competition

2026

Cheetham Fest takes place each year in Autumn. It is about celebrating everything and everyone who helps to make Cheetham and Crumpsall a great place to live.

Can you create a piece of art that celebrates the theme 'Hope For Our Communities?'

You might want to think about what makes our communities full of hope, kindness and possibility. What do you love about our communities today? And what would you like to see grow in the future?

Create your response to this theme on the back of this sheet or any piece of A4 paper. It can be in any style you like and should celebrate the diversity of our community. You could use words and images, write a poem, create a collage, drawing or comic strip - be creative!

Include your name, age and school/group. (Age Categories: 6 and under, 7-10, 11-16, 16+)

You can hand in your finished design at your school/group, who can arrange for it to be posted, or you can email your scanned artwork to julia@manchesterjewishmuseum.com.

There will be prizes for the best entries!

Closing Date: Tuesday, 30 September 2026

Name: _____ Age: _____ School/Community Group: _____
